

# 13 Day Western Cape Wine and Gourmet Tour

Cape Town / Paarl / Wellington / Stellenbosch / Franschhoek

Situated on the southwestern tip of Africa, Cape Town and the Western Cape is recognised as one of the most beautiful places on earth. Offering a range of attractions, breathtaking sights and endless activities, it is a year-round holiday destination with friendly people, a mild climate and rich cultural heritage.

Of course our tour specialises in the wine and gastronomic extravaganza which is the Western Cape and takes in the hallmarks of both these. Over the 13 Days that we are together we will sample and savour some of the best that the area has to offer. From award winning wines that get John Platters stamp of 4 and 5 star approval to the finest restaurants that ooze comfort and culinary delights from the foothills of Franschhoek to the wave swept shores of Hermanus.

The whole tour is led by a local expert guide and promises a relaxed approach to the art of wine. We don't do the wine snob route we do the wine lovers route! We also make use of Sommeliers and local Estate specialists to add depth and differing perspectives to the experience of the wines at hand. This combination of guide also offers you the benefit of an in depth look at the socio-economic position of the country its history as well as a critical and at times flattering analysis of the vineyards and their offering. As far as possible we ALWAYS attempt to get the wine makers or owners of the farms in question to lead our tastings which offers the authentic feel of the area.

The route is specially designed to incorporate 5 of the distinct growing and terroir regions of the Western Cape which allows for a comfortable journey regarding drive time but still incorporating the tourist highlights of the area, with easy add on features for Game Parks available.

We hope to welcome you to our country of sunshine promise and wine!

One of our consultants are waiting to assist you with any questions and a complete itinerary for this tour – feel free to contact us:
